

Saving **time,**  
**space**  
and lives

Do good and join the

# Good Hood

All you need is:

**20 minutes**

+

**2 parking bays**

for  **one person's donation** to save up to 3 lives

Taking part in a blood drive to save lives is super easy and can make a huge impact – in just a matter of minutes and take up very little space.

- Arrange with your Donor Relations Practitioner for any logistical issues relating to the venue (e.g. marquees/tents/gazebo erections).
- Our professional team will handle any of your administrative concerns, including safety protocols.
- Signage, posters, pull-up banners and other awareness materials will be available before the scheduled blood drive.
- Time is precious; that's why your Donor Relations Practitioner is highly involved, from set-up, sign-up to clean-up.
