SANBS

It's all good in the hood

Hosting a blood drive is completely safe and simple.
What's more, you're helping your community get on the map for good – as a

Good Hood

Did you know?

Every blood donation can **save up to 3 lives, and that's a lot of good!**

But only about **1%** of the **South African population donate blood!**

So, Good Hood Citizen, book a blood drive and save lives

Your safety is our priority

We observe all safety protocols

- Standard staff health assessments prior to blood drives.
- Disinfecting of equipment and surfaces.
- Our professionals follow healthy personal hygiene practices at our fixed and mobile donor centres.
